

Fall, 2021
Volume 22, Number 2

TRENDS - come and go, but good taste will always be in style! At Libby's we offer the trends, the styles, and even the fashion colors, but we make sure that

it's the right look for you!! One of the hottest trends for Fall 2021 is the relaxed jogger pant. (No you don't have to run in them!)

Sympli, Joseph Ripkoff, even Ruby Road has the jogger style pant this season. Some will have cuff hems, some tapered straight hems, pockets, but Comfort is #1. What is a jogger pant you ask? They are a relaxed straight leg - fuller in the hips and more tapered at the ankle. Joggers can be worn dressed up, or in a casual style. We will pair the Joseph Ripkoff solid black Jogger with a classic blazer, sweater, or even a denim jacket. Sympli will offer their Motion Trim Cuff Jogger with Motion Trim Sweatshirt to match in Melange Olive. Sympli's fall colors at Libby's will be: black (of course), Pomegrante (dark wine), Melange Olive, Navy, and Melange Sand. At Libby's, we can create your look with these new colors and styles so you will be on TREND!!

This year's fall colors will make you think of fall foliage! Shades of Army Green, Olive, Rust, Pumpkin, and Golden shades of yellow will fill our store. These beautiful colors will layer with your denim, your black, your navy, and will add the fashion shades into "your look." Layers are what Fall is all about! Keep those sleeveless blouses, mocknecks, or even tank tops - to put under your sweaters or jackets. Layers will always work on those cool mornings and evenings in the mountains.

Speaking of layers, take a look at the layers of your life. Make time for God, your family, and your friends. Make time for yourself. Be a new friend to someone. Remember, old age is a gift, one that we hope stays with us a long time!

Thank you for your friendship and your business. We look forward to seeing you soon!!

*Always Be You,
Libby*

Some Truths We Should All Acknowledge

A Birth Certificate shows that we were born.
A Death Certificate shows that we have died.
Pictures show that we have lived!
Have a seat ... relax ... and read this slowly.

I Believe ...

That just because two people argue, it doesn't mean they don't love each other.

That we don't have to change friends if we understand that friends change.

That you can do something in an instant that will give you heartache for life.

That it's taking me a long time to become the person I want to be.

That you should always leave loved ones with loving words. It may be the last time you see them.

That you can keep going long after you think you can't.

That my best friend and I, can do anything, or nothing and have the best time.

That maturity has more to do with what types of experiences you've had and what you've learned from them and less to do with how many birthdays you've celebrated.

That it isn't always enough, to be forgiven by others.

Sometimes, you have to learn to forgive yourself.

That no matter how bad your heart is broken the world doesn't stop for your grief.

That our background and circumstances may have influenced who we are, but we are responsible for who we become.

Two people can look at the exact same thing and see something totally different.

That even when you think you have no more to give, when a friend cries out to you - you will find the strength to help.

That credentials on the wall do not make you a decent human being.

That the people you care about most in life are taken from you too soon.

The happiest of people don't necessarily have the best of everything;

They just make the most of everything.

Thank you God for all the wonderful people who help us through the journey of life. May Angels guard you and guide you!
