

Libby's

Let the clothes tell your story!! In life we all have a story to tell - and what you wear - is part of your story. That's why when you are shopping - you say - that

looks just like my friend Lori. Or, you say - I would never be comfortable wearing that, but it would look so good on Debbie. Your clothes are part of who you are. If you are working in a bank or another professional setting - your outfit is part of you identity. At Libby's we

try to have something for everyone - from casual lifestyles to even a special event in your life. We have been working hard to add new lines for your lifestyle. Fun jackets from Paparazzi. Now at Libby's - Joseph Ribkoff, Frank Lyman - great to wear with your Sympli, Renuar, Orly, and Jeanne Pierre. We are also so excited to be offering Brighton footwear to complete your story - head to toe. We are looking forward to a fun fall fashion season with you - our fashion girlfriends.

*Love in Fashion,
Libby*

Nancy's Notes!!!

As our seasons continue to transition, and we start to switch from summer to fall, the same applies to our fashions and accessories. You will "fall" in love with our collection of Brighton that has started to ship. Gorgeous handbags with

complimenting shoes, cellphone organizers, and of course stunning jewelry collections. Watch out for animal prints - they're on the prowl too!
